

Life Saver Pledge

By Signing below, I promise that I will follow the Dam Dangerous Life Saver Pledge –

I pledge to wear my personal floatation device and be a model of water safety to those around me.

I pledge to be safe AT dams.

I will stay clear of dams both upstream and downstream

I will be familiar with the river –

**knowing where dams and other hazards are located,
and knowing the water conditions when I am near the water.**

I will not play at or near low head dams

I pledge to educate others about the dangers of low head dams and will advocate safety to all.
